In the event this application for water and sewer service is accepted and furnished by the Water Department of the Village of Hebron, I hereby agree to conform to and abide by the laws, rules, and regulations established or issued, or any that may hereafter be established or issued; and to have the Village install any meter as may be required, in the usual manner.

In the event that any bill delivered to me personally, left at the place described above, or mailed to me, at the above address is not paid within 15 days, a 10% penalty will be assessed. If bill is not paid, or arrangements are not made by the 25<sup>th</sup> of the following month, a shut-off notice will be sent out. The water will be turned off 24 hours after the shut-off notice is issued and a \$25.00 reconnect fee will be added to the account. There is a monthly service charge of \$3.00 on all accounts.

I agree to provide access for Village personnel to verify meter accuracy when necessary. I agree to provide a monthly reading if our personnel are unable to obtain access.

I also agree the Village may enter upon my property, in the event there is a water line passing through my property which services other homes, to repair said line, provided, the Village shall return my property to its original condition. This agreement shall remain in full force and effect, except as herein provided, and shall not be terminated until the Water Department shall have been given written notice that said services are no longer desired. No contract for said services may be cancelled until the final bill is paid in full, except as herein provided.
